The screenshot shows the Google Ads Overview page. The top navigation bar includes the Google Ads logo, a search bar, and links for Ads Advisor, Appearance, Refresh, Help, and Notifications. The user's email address, kausharkatiyar@gmail.com, is displayed in the top right corner. On the left sidebar, there are icons for Create, Campaigns, Goals, Tools, Billing, and Admin. The main content area features a 'View (2 filters)' dropdown set to 'All campaigns' and a 'Campaigns (0)' dropdown set to 'Select a campaign'. Below these are filters for 'Campaign status: Enabled, Paused' and 'Ad group status: Enabled, Paused', along with an 'Add filter' button. The 'Overview' section shows a date range of 'All time' to 'Jan 2, 2026' and a 'Show last 30 days' link. A 'New campaign' button is prominently displayed. A 'Billing' panel on the right shows a balance of ₹0.00 as of Jan 2, 2026, and a message stating 'You have no upcoming payments'. A 'Payment methods' section is also visible with a link to 'Add a payment method'. A 'Get the Google Ads app' banner with a QR code is located at the bottom left.

The screenshot shows the 'Choose your objective' page in Google Ads. The top navigation bar is identical to the previous screenshot. The main content area is titled 'Choose your objective' and includes the instruction 'Select an objective to tailor your experience to the goals and settings that will work best for your campaign'. There are six objective cards displayed in a grid:

- Sales**: Drive sales online, in app, by phone, or in store.
- Leads**: Get leads and other conversions by encouraging customers to take action.
- Website traffic**: Get the right people to visit your website. (This card is selected, indicated by a blue border and a checkmark icon in the top right corner.)
- App promotion**: Get more installs, engagement and pre-registration for your app.
- Awareness and consideration**: Reach a broad audience and build interest in your products or brand.
- Local store visits and promotions**: Drive visits to local stores, including restaurants and dealerships.

At the bottom of the grid, there is a card for 'Create a campaign without guidance' with the text 'You'll choose a campaign next'.
